of Transportation's "The Informal Rulemaking Process," which has more detailed information and examples on the rulemaking process. In addition, you may wish to consult DOT's "Rulemaking Requirements" (prepared by Neil Eisner, April 2009), which provides hyperlinks

The Rulemaking Process - federalregister.gov

If none of the individual's past relevant work is within his or her residual functional capacity, we proceed to step 5 of the sequential evaluation process. At step 5 of the sequential evaluation process, we determine whether the individual is able to adjust to other work that exists in significant numbers in the national economy.
