APES 215 Forensic Accounting Services

Adopting Huber's (2012) argument that forensic accounting has become a profession, this paper examines whether the forensic accounting profession and the forensic accounting certification industry should be regulated. Several recent studies have uncovered significant problems within the forensic accounting profession and the forensic accounting certification industry.

Should the forensic accounting profession be regulated

Forensic science is the application of science to criminal and civil laws, mainly on the criminal side during criminal investigation, as governed by the legal standards of admissible evidence and criminal procedure. Forensic scientists collect, preserve, and analyze scientific evidence during the course of an investigation. While some forensic scientists travel to the scene of the crime ...
