In radio, an antenna is the interface between radio waves propagating through space and electric currents moving in metal conductors, used with a transmitter or receiver. In transmission, a radio transmitter supplies an electric current to the antenna's terminals, and the antenna radiates the energy from the current as electromagnetic waves (radio waves).

Structure and details. The four tracks on Lift Your Skinny Fists Like Antennas to Heaven are composed of individually named internal movements. The whole album is instrumental, except for sampled voice inserts. The samples on the album are often used to send some satirical, political, or poetic message. The inner panels of the vinyl edition released by Constellation contain a diagram used to ...
