

asian power and politics pdf

Asian Americans have a high level of political incorporation in terms of their actual voting population. However, as a result of this group's historically low voting rates, overall political incorporation of the general population is relatively low.

Asian Americans in government and politics - Wikipedia

Asian studies, a term used usually in North America for Oriental studies and is concerned with the Asian people, their cultures, languages, history and politics. Within the Asian sphere, Asian studies combines aspects of sociology, history, cultural anthropology and many other disciplines to study political, cultural and economic phenomena in Asian traditional and contemporary societies.
