A cheque, or check (American English; see spelling differences), is a document that orders a bank to pay a specific amount of money from a person's account to the person in whose name the cheque has been issued. The person writing the cheque, known as the drawer, has a transaction banking account (often called a current, cheque, chequing or checking account) where their money is held.

How does a WebCite-enhanced reference look like?. A WebCite-enhanced reference contains the traditional elements of a reference (e.g. author and title of the cited webpage, if known), the cited URL, and a WebCite URL.. There are two basic formats of a WebCite URL: The opaque and the transparent format - the former can be used to be added to a cited URL, the latter can be used to ...
