A teacher (also called a school teacher or, in some contexts, an educator) is a person who helps others to acquire knowledge, competences or values.. Informally the role of teacher may be taken on by anyone (e.g. when showing a colleague how to perform a specific task). In some countries, teaching young people of school age may be carried out in an informal setting, such as within the family ...

Graduate Scholarships. While less common than undergraduate scholarships, scholarships for graduate students are available. Graduate students rely heavily on fellowships or assistantships - especially in high-need areas like nursing or teaching - but these aren't available to everyone and don't always cover a graduate student's living expenses.

This is a discussion of the various abuses of power which have been exhibited by the US government, often under the guise of 'fighting terrorism' or some other popular goal. Includes news articles about the abuse of power and the perpetuation of government agencies which have too much power, too little restraint, and too many bad ideas.
