Electronic program guides (EPGs) and interactive program guides (IPGs) are menu-based systems that provide users of television, radio and other media applications with continuously updated menus displaying broadcast programming (TV listings in the UK) or scheduling information for current and upcoming programming. Some guides also feature backward scrolling to promote their catch up content.

The Association for Fundraising Professionals (AFP) defines the case as "the reasons why an organization both needs and merits philanthropic support, usually by outlining the organization's programs, current needs, and plans." A case statement, "a presentation that sets forth a case." The first is a concept, while the second is a physical document. We want to draw a further distinction.
