Barong is a lion-like creature and character in the mythology of Bali, Indonesia. He is the king of the spirits, leader of the hosts of good, and enemy of Rangda, the demon queen and mother of all spirit guarders in the mythological traditions of Bali. The battle between Barong and Rangda is featured in the Barong dance to represent the eternal battle between good and evil.

Street Dance is term applied to dances that were invented by the general public in the 1970s and later in (largely African-related) urban cultures. The term itself comes from the fact that the dances were made in urbanised cities. There are no rules to "street dance" as improvisation and freestyle is emphasized.
