The Business Case for Active Transportation

A digital strategy is a form of strategic management and a business answer or response to a digital question, often best addressed as part of an overall business strategy. A digital strategy is often characterized by the application of new technologies to existing business activity and/or a focus on the enablement of new digital capabilities to their business (such as those created by the ...

Strategy According to Treacy and Wiersema. The notion of restricting the basis on which strategy might be formulated has been carried one step farther by Michael Treacy and Fred Wiersema, authors of The Discipline of Market Leaders [9]. In the Harvard Business Review article that presaged their book [10], Treacy and Wiersema assert that companies achieve leadership positions by narrowing, not ...
