Entrepreneurship is the process of designing, launching and running a new business, which is often initially a small business. The people who create these businesses are called entrepreneurs. [need quotation to verify] Entrepreneurship has been described as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks in order to make a profit".

When starting a jump center you’ll need to consider safety regulations. These regulations may be set on a city, county or state level. Most states have safety regulations that cover amusement rides and outdoor rental companies, however not all cities or states may have safety regulations specific to indoor jump centers.
