Gang rape occurs when a group of people participate in the rape of a single victim. Rape involving at least two or more violators (typically at least three) is reported throughout the world. Systematic information and statistics on the extent of the problem is limited.

Gang rape - Wikipedia

Rape is defined in most jurisdictions as sexual intercourse, or other forms of sexual penetration, committed by a perpetrator against a victim without their consent. The definition of rape is inconsistent between governmental health organizations, law enforcement, health providers, and legal professions. It has varied historically and culturally.

Rape - Wikipedia

Although the proper definition of "rape" is itself a matter of some dispute, rape is generally understood to involve sexual penetration of a person by force and/or without that person's consent.
