Deaton and Muellbauer was assigned as a completely optional, supplemental text in my fall labor class. It's basically just a review of applied consumer theory, probably at the level of Varian (definitely less technical than MWG).

best LABOR economics textbook (phd level)?

The U.S. Census Bureau is the leading source of statistical information about the nation's people. Our population statistics come from decennial censuses, which count the entire U.S. population every ten years, along with several other surveys.
