Ghost Knight (2011) About book: Amo leer a Cornelia Funke, es una autora que no puede escribir mal. Es bonito porque esta historia en particular junta 3 cosas en un mismo libro: lo difícil que es crecer, hacer amigos y madurar; una aventura fantástica y por último una narración histórica marcada por una investigación realizada por Cornelia en Inglaterra.

Ghost Knight is a delicious ghost mystery that is set in and around Salisbury Cathedral using a lot of local history and with two appealing protagonists who work brilliantly together. I have to admit to a bias for books set in real places that use real historical characters and events.
