Introduction-to-Global-Politics-PDF.pdf - 2shared.com download

Introduction to Global Politics, Fourth Edition, provides students with a current, engaging, and non-U.S. perspective on global politics. It shows students how to analyze global political events using theoretical approaches-both mainstream and alternative-and emphasizes non-state actors more than any other global politics text.

Download [PDF] Introduction To Global Politics Free Online

Description : Written in clear and accessible prose, GLOBAL POLITICS, International Edition discusses the major theories of international relations and provides students with the historical background to understand global politics. This new edition is a thorough revision and reflects the latest developments in world events and the study of international relations.
