In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

A Hunger for God: Desiring God Through Fasting and Prayer

God Wants Us to Be Free Although the First Commandment ("I am the Lord your God") appears simple at first glance, it actually set into motion the most revolutionary idea in human history -- ethical monotheism, the belief that there is one God whose main wish is that people treat each other decently.

The television is a killer slaying souls across the face of the earth. America has been tempted and paralyzed with charms and sins. Television is a chief cauldron of temptation putting bad ideas in people's minds. America's willing disobedience and sins have brought her--and her false refuse-to-obey-the-Bible-church--curses without number.
