

god will be recognized pdf

In the English language, capitalization is used for names by which a god is known, including 'God'. Consequently, the capitalized form of god is not used for multiple gods or when used to refer to the generic idea of a deity. The English word God and its counterparts in other languages are normally used for any and all conceptions and, in spite of significant differences between religions, the ...

Early Buddhist texts. According to Buddhologist Richard Hayes, the early Buddhist Nikaya literature treats the question of the existence of a creator god "primarily from either an epistemological point of view or a moral point of view". In these texts the Buddha is portrayed not as a creator-denying atheist who claims to be able to prove such a God's nonexistence, but rather his focus is other ...
