In the English language, there are grammatical constructions that many native speakers use unquestioningly yet certain writers call incorrect. Differences of usage or opinion may stem from differences between formal and informal speech and other matters of register, differences among dialects (whether regional, class-based, or other), and so forth. . Disputes may arise when style guides ...

Usage notes [] (one who imposes one's views on others): As actual Nazis practiced genocide and were responsible for the murder of millions of people during the Second World War, this flippant use is sometimes considered to be offensive and in very poor taste. It is sometimes used to offend, intentionally (e.g. when trolling) or out of anger.
