The Green Agenda

This report examines how green growth and sustainable development policies can be incorporated into structural reform agendas. Indeed, as demonstrated in the report, many of these policies are closely linked and synergistic with the framework policies applied by G20 governments in their efforts to pursue strong and sustainable growth.

INCORPORATING GREEN GROWTH AND SUSTAINABLE DEVELOPMENT

The Green Party is committed to values-based politics, as expressed in our Ten Key Values. These values guide us in countering and changing a system that extols exploitation, unsustainable consumption, and destructive competition.
