"Growing Wings" is a young adult fantasy with a very intriguing plot about a young woman growing wings. Unfortunately, the plot developed at a painfully slow pace. In fact, just as the story became interesting, the novel abruptly ended. "Growing Wings" felt like a good short story that was tortured into becoming a young adult novel.

But if we do, if we stop moving, gravity wins and we become weak and frail. We were not meant to grow into big infants. We were made to grow from weak infants to strong adults.

Get Your Wings Back | Original Strength

Yes, it flaps its wings, but mostly the eagle just lets go, and is borne aloft on the wings of the wind. Birds don't like storms, but eagles love storms because it just forces them higher and higher.
