### Studio 4°C - Wikipedia

Socialism is a range of economic and social systems characterised by social ownership and workers' self-management of the means of production as well as the political theories and movements associated with them. Social ownership can be public, collective or cooperative ownership, or citizen ownership of equity. There are many varieties of socialism and there is no single definition ...

Studio 4°C is a Japanese record label and music publisher. It was founded in 1983 by Itoh Kazuo and is a subsidiary of the Japanese music company Avex Inc. The label is known for its releases of Japanese rock and pop music, and has been instrumental in the careers of several prominent Japanese rock bands, including the band the Pillows. The label's name is a reference to the Celsius temperature scale, specifically 4 degrees Celsius, which is the temperature at which water reaches its maximum density.
