harmony and melody | Download eBook pdf, epub, tuebl, mobi

Designed for a two-year undergraduate music theory course sequence in diatonic and chromatic harmony, this text approaches the subject through melody, which is the unifying thread running through tonal organization and a familiar reference point for students of music.

Harmony Through Melody: The Interaction of Melody

the notion that harmony, like language, uses many idioms, the goal here is to learn as many of them as possible, often by rote. While this approach does have some value in learning classical tonal harmony, the formulas learned are not generalizable outside of the source repertoire.

General Principles of Harmony by Alan Belkin
