Harvard Business Review - Harvard Business Review

The Harvard Business Review is a very well written publication that has served me well over the last few years of graduate school. I feel the subscription falls short because it does not offer any additional features such as reviewing past editions on-line or down loading the articles.

Humour (British English), also known as humor (American English; see spelling differences) is the tendency of experiences to provoke laughter and provide amusement. The term derives from the humoral medicine of the ancient Greeks, which taught that the balance of fluids in the human body, known as humours (Latin: humor, "body fluid"), controlled human health and emotion.
