From the book jacket: Ann Humphry's suicide in 1991 made headlines worldwide. One of the reasons her death was so compelling was her allegation, in her suicide note, that she was driven to kill herself by her husband, Derek Humphry, co-founder of the Hemlock Society and author of the number-one best-seller *Final Exit*. A parasite is an organism that lives on or in a host and gets its food from or at the expense of its host. Parasites can cause disease in humans. Some parasitic diseases are easily treated and some are not. The burden of these diseases often rests on communities in the tropics and subtropics, but parasitic infections also affect people in developed countries.
