Special Collection Stepping Stones to Caring for Our Children, 3rd Edition (SS3). Stepping Stones, Third Edition (SS3) is the collection of selected CFOC3 standards which, when put into practice, are most likely to prevent serious adverse outcomes in child care and early education settings. Adverse outcomes are defined as harm resulting from failure to practice the recommendations in the CFOC3 ...

Action research is either research initiated to solve an immediate problem or a reflective process of progressive problem solving led by individuals working with others in teams or as part of a "community of practice" to improve the way they address issues and solve problems. There are two types of action research: participatory and practical [further explanation needed].

New Criticism. A literary movement that started in the late 1920s and 1930s and originated in reaction to traditional criticism that new critics saw as largely concerned with matters extraneous to the text, e.g., with the biography or psychology of the author or the work's relationship to literary history.
