[PDF/ePub Download] how much how many how far how heavy

1000 of something small may still not look like much, but 1000 of something large is very large. This is more beneficial to kids as it encourages them to think flexibly about numbers, rather than always picturing 1000 pennies whenever they think about 1000.

How Much, How Many, How Far, How Heavy, How Long, How Tall

This book was a good read. It is about trying to teach children to understand the value of 1000 anything. Children are allowed to use their imagination on things as such as 1000 acorns and 1000 oak trees. They are able to think about just how much 1000 of something, but that's where this book lost it for me.

How Much, How Many, How Far, How Heavy, How Long, How Tall
