be given access to this knowledge. The aim is to create a revolution in consciousness and awareness. To help people achieve higher awareness in living and experiencing life. To impact the world in the biggest way possible. To change lives and to create possibility. To revolutionize the way we understand the mind and reality.

## **Mind Reality**

the tones of reality, you could accomplish a healing that would allow you to actually walk or run. The way to use your imagination creatively is this. Relax in a chair or on a bed and close your eyes. First determine what it is you wish to experience. Then, in this state of complete relaxation, bring to mind the end result of what it is you desire.

## **IMAGINATION CREATES REALITY - Neville Goddard**

â€œThere is no one reality. There are many, in fact infinite, realities. There is no beginning and end. When beginnings and endings are spoken of, the implication is always there, that there must be but one reality, and that it must have a beginning in time and an ending in time. â€œ! Realities merge, one into the other.
