nearest the middle of the piano keyboard, as shown, below: The next key to the right of Middle C, is a black key, next is a white key, and so on. Each time you move from one key, to the one, immediately to it's right, you are raising the pitch of the note, by one semitone, or half step. In every major chord, there are only three different notes to play.

Find and play all of the groups of two your piano, then circle the remaining groups of two on the piano diagram shown below. When you find each group, play it with the hand that is closest to the group that you find. For example, when you find the groups of two that are easy to reach with your left hand, then play them with your left hand.
