The grip on your racket is an important aspect in your tennis play. You should grip the tennis racket loosely between strokes, but when you are about to swing, it is better to tighten your hold.

How to Play Tennis - Instructables

Tennis is a racket sport that can be played individually against a single opponent or between two teams of two players each (doubles). Each player uses a tennis racket that is strung with cord to strike a hollow rubber ball covered with felt over or around a net and into the opponent's court. The object of the game is to maneuver the ball in such a way that the opponent is not able to play a valid return.
