What Works Briefs: Summaries of Effective Practices for Supporting Children's Social-Emotional Development and Preventing Challenging Behaviors. The Briefs describe practical strategies, provide references to more information about the practice, and include a one-page handout that highlights the major points of the Brief.

CSEFEL: Center on the Social and Emotional Foundations for

The relationship between a functional assessment-based parent intervention and preschoolers' challenging behaviors was examined in the current study. A single subject design with a multiple baseline across 2 parent-child dyads was implemented. The researchers collaborated with parents to design the FA-based interventions and parents received varying levels of support throughout the study.
