Our website is the source for the latest security and strategic research from the military's link to the academic community. The Strategic Studies Institute is the War College's premier landpower research center.

### **Strategic Studies Institute (SSI) | US Army War College**

The mind is a set of cognitive faculties including consciousness, perception, thinking, judgement, language and memory. It is usually defined as the faculty of an entity's thoughts and consciousness. It holds the power of imagination, recognition, and appreciation, and is responsible for processing feelings and emotions, resulting in attitudes and actions.
