Like we often do, because great minds think alike, Jen and I decided independently to get standing desks this year. If youâ€™ve read any of the research, they are calling sitting the new smoking, and saying that even if you exercise regularly you cannot overcome the adverse affects of sitting at your work all day.

Counterfeit money is imitation currency produced without the legal sanction of the state or government. Producing or using counterfeit money is a form of fraud or forgery. Counterfeiting is almost as old as money itself. Plated copies (known as FourrÃ©es) have been found of Lydian coins which are thought to be among the first western coins. Before the introduction of paper money, the most ...
