The Humanistic Psychologist - Mythos & Logos

The German Renaissance, part of the Northern Renaissance, was a cultural and artistic movement that spread among German thinkers in the 15th and 16th centuries, which developed from the Italian Renaissance. Many areas of the arts and sciences were influenced, notably by the spread of Renaissance humanism to the various German states and principalities.

German Renaissance - Wikipedia

The Renaissance, also known as "Rinascimento" (in Italian), was an influential cultural movement that brought about a period of scientific revolution and artistic transformation at the dawn of modern history in Europe. It marks the transitional period between the end of the Middle Ages and the start of the Modern Age. The Renaissance is usually considered to have begun in the fourteenth century ...

What were the main characteristics of the Renaissance

L'art de la Renaissance ou Renaissance artistique est une composante importante de la période de la Renaissance du renouveau humaniste de la littérature, des arts, et des sciences qui se produisit en Europe au XVI^e siècle. Un des aspects essentiels de la Renaissance en tant que période est le renouvellement des thèmes et de l'art en Europe après le Moyen Âge.
