Standard Drawings contain standard notes and details and are referenced from the contract plans. That way these commonly used notes and details do not have to be recopied again and again into every set of plans. Standard Drawings help reduce both the number of drawings in project plans and the time ...

Procurement is the process of finding, agreeing terms, and acquiring goods, services, or works from an external source, often via a tendering or competitive bidding process. The process is used to ensure the buyer receives goods, services, or works at the best possible price, when aspects such as quality, quantity, time, and location are compared. ...
