Document requirements for getting a US passport can vary depending on the type of passport that is being requested. The documents required to get a new passport are used to prove both citizenship and identity as well as any legal name change that might have taken place.

FAQ - Supporting Documents Required for Passport 2018

To get a passport, you need 1 ID and 2 supporting documents in addition to your NSO birth certificate and application form. Previously, 3 supporting documents were required, but now the DFA only requires 2. See: Getting A Philippine Passport at DFA Cebu: List of Requirements for First Time Applicants for the complete list of requirements.

Supporting documentation is the initial evidence that is required as proof of identification and as justification of eligibility for a benefit. These documents are required for USCIS to make a decision on your application. Examples of supporting documentation include copies of birth certificates, marriage licenses, Permanent Resident Cards, etc.
