The following is a list of English words without rhymes, called refractory rhymes—that is, a list of words in the English language which rhyme with no other English word. The word "rhyme" here is used in the strict sense, called a perfect rhyme, that the words are pronounced the same from the vowel of the main stressed syllable onwards. The list was compiled from the point of view of ...

In Galileo's time-- science began using man's most reliable truth detector---- "Repeatable published physical measurements of the thing under study coupled with vigorous technical debate using a common language called mathematics". It works! A popular example of it working is forensic medicine in law enforcement. Compare today with technology with 50 years ago.

3. Dimension 1 SCIENTIFIC AND ENGINEERING PRACTICES. From its inception, one of the principal goals of science education has been to cultivate students' scientific habits of mind, develop their capability to engage in scientific inquiry, and teach them how to reason in a scientific context [1, 2]. There has always been a tension, however, between the emphasis that should be placed on ...
